Sir,

Subject: Appointment of Assistant Director
G.O.No.E.19593-5/Archy.1-54-3
Dated 21st March 1955.

In my letter recommending this appointment, I used the word 'monthly honorarium to be paid to the Assistant Director; and Government have been pleased to sanction ~~on~~ the terms of my recommendation. This post has been created with the idea of collecting material and data for archaeological research and involves undertaking frequent tours.

My attention has now been drawn to the fact that an honorarium does not count for purposes of Salary, T.A., etc. If that be so, I request that the remuneration may be made an allowance which will count for these purposes under Art.No.30 (b) of Mysore Service Regulations.

Yours faithfully,
K.A.Nilakanta Sastri

Mysore, 1st September 1955.

Dear Sir,

I am enclosing copy of letter received from the Accountant General, Mysore, Bangalore,. I do not think it is proper to draw Dr.Seshadri's remuneration on a Contingency bill as suggested by him; it must be under Salaries. I request you therefore to convert the honorarium to allowance drawable under Salaries and do this with retrospective effect from the date Dr.Seshadri joined his office as Assistant Director of Archaeology. Till I get Government orders in this sense it may not be possible for Dr.M.Seshadri to draw his remuneration and hence I request you to treat this as urgent and send copy of the order to the Accountant General and Treasury at your earliest convenience.

Yours sincerely,
